National French Week
French Spelling Bee Competition

Rules

1. Run the contest November 4-10 after school or during class.

2. Teachers provide their own prizes.

3. Participating teachers wanting to post their results on the AATF-WI website can contact Kara Torkelson at aatfwipresidentelect@gmail.com.

4. Each school is NOT limited to the number of contestants.

5. Each contestant may write the word in a blackboard if he or she wants to. This would be done with the only purpose to allow the contestant to see the word before spelling it orally.

6. Participants will have 20 seconds to spell the word correctly.

7. Having started to spell a word, the speller may stop and start over, retracing the spelling from the beginning, but in retracing they cannot change the letters or their sequence from those first pronounced. If letters or their sequence is changed in the respelling, the speller will be eliminated.

8. **Levels 1 and 2 may spell in English, Levels 3, 4 and 5 must use the French alphabet.**

9. Each contestant may ask the pronouncer to repeat each word and sentence one time.

10. Students will be required to say the word before beginning to spell.

11. Necessary accents must be included and students are to finish by saying the word once more together with the article.

It will work something like this:

**Judge:** "Chien. Un chien est plus gentil qu'un chat. Chien."

**Contestant:** *Chien* C-H-I-E-N. *Un chien.*

An example of a word with an accent:

Dîner.

D-I Circonflexe-N-E-R.
